

2017 Campership Application

(due by April 15th)

Dear Parent/Scout Leader:

- Greater New York Councils offers camperships to registered youth from New York City to assist with camp fees. Campership amounts are based on amount requested and family need. In some cases, depending on specific circumstances, no campership may be awarded.
- This form must be completely filled out. Incomplete forms will be rejected without consideration.
- Total yearly income must reflect all household family members. On the other side of this form, include all types of household income: **salary, unemployment insurance, pensions, alimony, disability, public assistance, SNAP, earned income tax credit, etc.**
- A \$25 per camper, per session/week deposit must be paid for this application to be considered. Campership requests without deposits will be rejected. **DO NOT SEND APPLICATION WITHOUT PAYMENT. The campership amount you are requesting must be specified.**
- To accurately credit the unit with the camper's awarded amount, the council, district, and pack/troop information must be completed.
- Cub Scouts who are crossing over to Boy Scouts must indicate their new troop and the troop they will be attending camp with. Submit camper's transfer information to the GNYC office on time to avoid confusion in locating camper with the appropriate unit.
- Camperships awarded will be based on the Early Bird cost. No consideration will be given for the higher fee charged after May 31st.
- If a Scout receives multiple camperships, the total cannot exceed the cost of camp, less the \$25 deposit. If a Scout's total camperships exceed this amount, the GNYC campership will be reduced accordingly.
- Any awarded campership amount is included and deducted from the total camp cost of fees due by May 31st. All campers who have not received camperships by May 31st will be responsible for full payment. Reimbursement, if any will be provided in a pack/troop check, typically while unit is at camp (if no discrepancies are found). **We do not make checks out to individuals** (except for youth attending an individual specialty camp). Please keep track of payments by individual parents for their reimbursement from the pack/troop check.
