

# Ten Mile River 2011 Troop Member Registration

### Instructions

In the appropriate section indicate the period in which your son is going to camp. A \$25 per week deposit for each camper is required. Please return this application with your payment at any Troop meeting; *do not* send it directly to the Council Office.

Checks should be made payable to "Troop 22."

\* With this option, the second week may be added on at any time, even by the end of Week 1; the two-week discount will still apply.

### Camp Fees

Our camp fees represent the complete Troop 22 Summer Camp Package, which covers the camp fee, separate outpost fees, event fees and other Troop extras that we provide to the Scouts. This season, the full two-week package price comes to \$800; however, thanks to our fundraisers, we are able to subsidize 25% of the cost for each Scout.

### Campership Applications:

Camperships (financial aid) are available if assistance is needed, and if you qualify, could reduce the price of camp by up to \$50 per week. The Campership Application is available online at the Summer Camp page of our website (troop 22.org), and should be turned in to the Troop with this form and your deposit.

### Authorization (Parent/Guardian)

I am the parent/legal guardian of the above listed Scout(s), and I give permission for him/them to attend summer camp at Ten Mile River Scout Camp with Troop 22.

I understand that unless special arrangements are made, all payments and medical forms are due by no later than Wednesday, June 29, 2011. At a minimum, my deposit will accompany this form.
