- Lock for Duffel Bag
- Small Day Pack
- Hat
- Water Gun
- Foam Pad/Air Mattress
- Baseball Glove

Pack clothing only for one week; Scouts can wash/reuse items for the second week.

On the first day, place your towel and swim trunks near the top of your pack (or you can wear the swim trunks underneath your uniform). You will need these in order to take the swim test, usually about an hour after arriving at camp.

Where possible, items should be clearly identified with the Scout's name/troop number.

Scouts are responsible for any and all equipment they bring/use. Do not bring any items of value (jewelry, iPods, PSP, etc.) as we will not be responsible if items are lost, stolen, damaged, or destroyed.
